

Adithya Automobile's unit in Lucknow goes on stream

KOLKATA: Adithya Automobile Applications Private Ltd (AAA), a joint venture between TRF Ltd, Hyderabad-based Jasper group and Tata Capital, has commenced operations at its newly constructed factory in Lucknow. The three hold a stake of 51%, 29% and 21%, respectively, in the company. AAA, which started business with Tata Motors in November 2009 by integrating tipper bodies with the latter's chassis, is currently manufacturing tipper bodies and plans to produce around 3,000 units in 2010-11. — **OUR BUREAU**
