TIP TRAILER

Tested & Certified by

**ARAI**<sup>®</sup>

Progress through Research

Automotive Research Association of India (ARAI)

As per Trailer code AIS 113

24 CBM

30 CBM

36 CBM

28 CBM

32 CBM

40 CBM

- Available product range from 22 CBM to 40 CBM depending upon different applications.

- Customized product range with various length & height combinations, also available with light weight body.

- TATA DLT provides complete solution for various applications like construction & mining industries for carrying bulk solid coal, petcoke, clinker, flyash, aggregates, boulders, M-sand, zinc ore, etc.

# TIP TRAILERS

- 70% movement are of 24, 28 & 32 CBM on rated load application
- Enhanced payload up to 750kgs; potential savings in logistics cost up to 5%.
- More focus for standardization in Tip Trailers like 24 CBM on 40T & 32 CBM on 49T.

## USP

- ARAI approved Tip Trailers.
- Service network PAN India.
- Corporate tie-up with reputed component manufacturers like YORK, WABCO, Hydraulic cylinders like HYVA & Hydromass etc.
- Using Hardox & Domex material leads to higher payload & increases number of trips.
- Shot Blasting process increases life of the Tip trailer.

## SPECIFICATIONS :

**HYDRAULICS KIT:-** Hydraulics tank shall include tank, return line filter, tipping valve & hydraulic hoses along with multi stage cylinder.

**LANDING LEGS:-** Two speed landing legs shall be provided. Make: YORK or equivalent.

**AXLE:-** 3 nos. 13T Axle shall be provided. Make: YORK or equivalent.

**KING PIN:-** 2" king pin equivalent to IS: 6763.

**PAINTING:-** Surface shall be cleaned by shot blasting followed by painting which conforms ASSTM B117.2011 salt spray testing of 500 hours.

## CUSTOMER VOICE

Not only the quality standards of TATA DLT Tip-trailers are at par but also are light in weight hence, more payload can be loaded.

We are very glad to be associated with TATA DLT.

**-Mr. Rajendra Kadam**  
(Yash Road Line)
