TRF's Safety, Occupational Health and Environmental responsibilities are driven by our commitment to ensure zero harm to people we work with and our belief that safety and environmental concerns are integral to the way we do business.

1. We basically believe that all injuries can be prevented and each one of us is responsible for it.
  - We will identify, assess and manage our Safety, Health & Environment (S.H.E) Hazards, Risk and Impact;
  - We will build WILL & SKILL among our employees and partners for their involvement, responsibility and accountability to achieve sound S.H.E Performance.
2. We are committed to continual improvement in our S.H.E Performance.
3. We will truly succeed, when we achieve our Safety, Health and Environmental Goals and are valued by the Communities in which we work.
